Solís Two Porsche Drive Gears Up to Open Apron and Overdrive

ATL Airport District hotel announces restaurant and rooftop lounge concepts slated to open this November

ATLANTA (October 10, 2017) – The forthcoming **Solís Two Porsche Drive** is excited to announce two dynamic food and beverage destinations to debut upon the hotel's opening in November 2017. In addition to 24-hour in-room dining service, the hotel's culinary offerings will include **Apron**, a full-service restaurant and vibrant bar, and **Overdrive Lounge**, a rooftop haven complete with signature hand-crafted cocktails.

Executive chef Derrick Green will helm the kitchen at Apron, utilizing his unique perspective on Mediterranean culinary traditions to craft a diverse selection of dishes. With 15 years of experience at luxury hotels across the southeastern United States, including The Ritz-Carlton Hotel properties in Orlando, Palm Beach, Fla. and, most recently, Buckhead Atlanta, Green has a penchant for thoughtfully crafted seafood dishes and plans to feature a blend of Greek, North African, French, Portuguese and Spanish influences on the restaurant's dinner menu.

"My goal for Apron is to go beyond just putting food on plates," said Green. "It's one thing to present a guest with a beautifully plated dish, but if your food can also tell a story by respecting the history of the cuisine – that's when the menu comes alive."

The restaurant, located on the lobby level of the new hotel, will present an inspired take on regional Mediterranean cuisine, including locally sourced produce, aged meats and house made pastas, partnered with wine and beer pairings sourced from across the globe. Chef Green's signature dishes will include seasonally rotating specials and year-round favorites like **piri-piri prawns** with house made potato gnocchi, grilled okra and Pomodoro; **octopus terrine** with Marcona almonds, boquerones, pickled Fresnos, marinated olives, Meyer lemon, Espelette and Romesco; **grilled branzino** with charred lemon, Piquillo and red onion pepperonata, crispy capers and patatas bravas; and **harissa-rubbed striped bass** with smoked eggplant mousse, fennel pickle, marinated baby heirloom tomatoes and Chermoula sauce.

Boasting 100 total seats, guests of Apron will enjoy a highly personalized experience reflective of the thoughtful service provided at Solís Hotels and Resorts destinations worldwide. Centered around a spacious bar area, the restaurant will delight guests with a variety of signature cocktails, an impressive wine list and local craft beer selections. Guests in search of a distinctive outdoor dining experience will have a front row seat to the action of the Porsche Experience Center and Hartsfield-Jackson Atlanta International Airport, paired with the lounge-style furniture and laid-back atmosphere of the restaurant's first-floor patio. Smaller groups will be also able to book reservations in Apron's intimate semi-private dining space enclosed by suspended wine racks.

Also coming soon to Solís Two Porsche Drive, Overdrive Lounge will offer guests a comfortable, yet chic rooftop experience. In the lounge, experienced mixologists will prepare hand-crafted signature cocktails complimentary of Overdrive's open-air, panoramic views, paired with the buzz of nightly entertainment, including live music and happy hour sessions. Guests of the eighth-floor lounge will also be privy to tableside service and chef Green's thoughtfully constructed tapas, shared plates and flights of sliders and beverages.

Following in the footsteps of existing [Solís Hotels and Resorts](#) destinations in China and Ireland, the forthcoming hotel will showcase an impressive 28 suites and 185 guest rooms fitted with contemporary, sports car-inspired décor.
